Customer agrees and acknowledges that WhirrCrew is a remote-first company and engages its personnel as employees, via an employer of record and/or via other means of alternative contracting (individual companies or sole entrepreneurship) in various countries worldwide (collectively the "Remote Personnel"). WhirrCrew shall treat all Remote Personnel as its employees and employ the same effective control over their work regardless of their formal legal status. WhirrCrew considers the Remote Personnel as its personnel under its direct control and not as separate sub-processors. WhirrCrew does not publicly disclose the list of the Remote Personnel and their location to protect their privacy. Customer can request the list. If the Remote Personnel is deemed third-party sub-processors for the purpose of applicable privacy laws, Customer grants general consent for WhirrCrew to use Remote Personnel as sub-processors.

WhirrCrew customers may subscribe to notifications of new sub-processors by sending an email to legal@whirrcrew.com.
